REFLECT RETREAT FOR LOCAL PREACHERS

May 2025

'Seeking Good Fruit'

***** 2nd to 4th May *****

We will be thinking about all the good things that
God is wanting to share with each one of us.

What does such awareness mean for our wholeness,
as we live alongside others?

The retreat will consist of sessions of input followed by times of silence for private
reflection in the peaceful stillness of the presence of God.

Led by Michael and Isabel King

*Michael taught in Haringey, Sierra Leone and Hertfordshire before joining the Methodist
Connexional Team in 1997, in the World Church section. He was Vice-President of Methodist
Conference in 2012/13 and is an active Local Preacher in the Salisbury Circuit.*

*Isabel is a granny, mum, wife and sister and a retired GP. She enjoys listening, learning,
worship leading and being a community Christian.*
